

## Connected Riding for Gaited Horses with Diane Sept

April 29 - May 2, 2016 - Creswell, Oregon

No matter what your level of experience, your horse's movement and attitude can improve... Connected Riding instructor and **gaited horse expert** Diane Sept will show you how!

If you want to become more balanced in the saddle, more secure on the trail, develop better movement in the show ring, and learn how to truly communicate with your horse, this clinic is for you!

**Diane's extensive experience with gaited horses makes these clinics of special interest to owners of gaited horses, but also great for any breed.**
