First come, first served policy on applications. Registration must be completed and check enclosed to be accepted. If needed, we will hold a lottery that you can attend if we get too many applications with the same postmark and we don't have enough spots available. If you find you are unable to attend the camp after being accepted and we are able to fill your spot you will receive a full refund. If we are unable to fill your spot stabling/camping fees will be refunded. There may be a partial refund of the clinic fees to be determined by the Board of Directors with a vet/dr note.
