Bio-Security Information

This competition will be run in accordance with USEF's COVID-19 Action Plan updated 9 December 2022, which refers to the local area's restrictions. Note: Lane County, Oregon no longer has any restrictions, other than masking for healthcare services.

<https://www.usef.org/forms-pubs/XhKGVYiivTA/usef-covid-19-action-plan-for-operating>

1) All persons entering competition grounds should self-monitor their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F (38° C) or higher may not enter the facility.

2) The following individuals are not allowed to enter the competition grounds:

- a) Anyone who exhibits COVID-19 symptoms, including a temperature of 100.4° F (38° C) or higher,
- b) Anyone who has tested positive for COVID-19 within last 5 days,
- c) Anyone who has tested positive outside of the past 5 days, but is still symptomatic.

This competition will be run in accordance with USEF's & Oregon Department of Agriculture and California Department of Food and Agriculture's (CDFA's) biosecurity recommendations (great biosecurity protocol reference). USEF has not updated its recommendations since the 2022 outbreaks of Equine Herpes Virus (EHV-1) and Equine Herpesvirus Myeloencephalopathy (EVM).

ODA reminds horse owners traveling with horses to participate in an equine event, that there is always disease risk when horses of unknown health status are commingled for a show or competition. Compliance with basic biosecurity practices is an important factor in reducing risk of exposure to all contagious equine diseases.

For more information, please see:

<https://www.usef.org/compete/resources-forms/competition-management/competition-safety-biosecurity>

<https://www.oregon.gov/oda/> and https://www.cdfa.ca.gov/ahfss/Animal_Health/Equine_Biosecurity.html

(good resource protocol for Oregon competitors).

This event is implementing biosecurity measures to ensure infectious disease agents are not introduced or spread at this event. All horses and livestock that enter the grounds may be subject to examination by event officials/designated representatives and/or State Animal Health official to determine if the animal is or has been infected/exposed, or are likely to be infected with, an infectious or contagious disease. If after such examination, an official believes the health condition of an animal will place other animals at risk, the officials may quarantine the animal(s) and others that may have been infected/exposed, or, if necessary, require movement of the animal(s) from the show grounds.

All participants must agree to fully cooperate with examining officials and abide by their decisions/instructions. Failure to comply with officials shall be grounds for immediate expulsion of the participant from the grounds and potential disciplinary action(s) by the sponsoring organization and local/state or federal officials. In the event of an emergency or infectious disease incident at the event, all participants and horses will remain at the venue until event management provides clearance for departure from the event premises. In the case of infectious disease event, event officials will evaluate individual horse disease exposure risk and provide owner/agents with follow up disease monitoring instructions. In the event movement restrictions are put in place, each owner/agent is responsible for the care and maintenance of their horse(s) on the premises.

- 1) **Cleaning and Disinfection Protocol:** Silver Tail Farm, LLC will disinfect all surfaces in every stall prior to the start of this event. Please note: cleaning and disinfection reduces the risk but may not eliminate risk of exposure to pathogens.
- 2) **Healthy Horse Policy:** Per USEF rules, all competitors must have in their possession proof of horse vaccination and are required to present it to the Technical Delegate or Management upon request.
- 3) **No Fever Policy:** Exhibitors shall check each horse's temperature at least once per day while on the show grounds. Exhibitors, Owners, Trainers and anyone attending this event shall immediately report any suspicion of illness in horses, including a temperature over 102°F to the Show Secretary or Manager. The Secretary or Manager will then report as soon as possible to the show committee or Manager as appropriate for further action, including but not limited to calling the on-call veterinarian for consultation at the horse owner's expense or sending the horse home.
- 4) Exhibitors shall provide alcohol wipes or alcohol hand sanitizer products at their stall(s) or trailer(s) for use by people handling multiple horses to maximize biosecurity between horses.
In addition, the following biosecurity measures are recommended:
 - Avoid sharing of equipment, to include tack, water buckets, brushes, etc.
 - Avoid use of communal water troughs
 - Avoid submerging end of water hose in water bucket
 - Do not allow horses to drink directly from a water hose
 - Avoid tying horses to fences or gates near the competition area
 - Cover all feed and hay to prevent access by vermin, birds or other animals
 - Thoroughly clean and disinfect all equipment before use at the home premises
 - Isolate and monitor all animals upon return to the home premises.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
